

Kopernio

Stop clicking. Start reading.

One click access to millions of full-text journal articles.

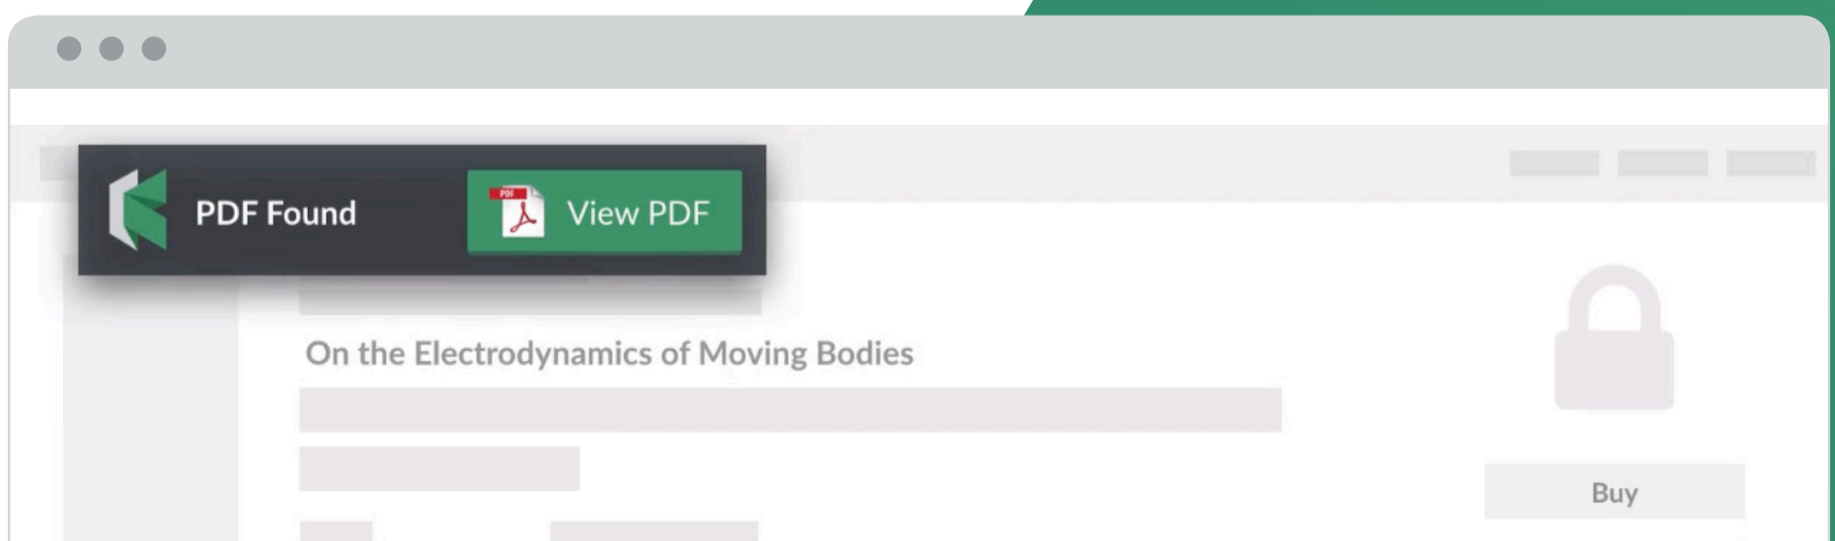

Turbo charge your literature searches with the free Kopernio browser plugin. Save time finding full-text PDFs through your library subscriptions and from open access sources, both on and off campus.

Store the PDFs you read for later. Come back and read them again or export them to your favorite reference manager.

Kopernio works with you across 20,000 academic websites

Available on Chrome, Firefox and Opera
